

UNIT NEWS

Our next business meeting will be on 25 August at the Army Reserve Center in Canton.

I would like to thank everyone who worked the FREE COFFEE BREAK. This is the first one that I have missed. But the ones who worked had a very productive week end. Maybe I was missed just a little???

Understand that our Unit President, June Veclter, has been on the sick list. She wasn't able to attend our last meeting. Hope you are improving, June.

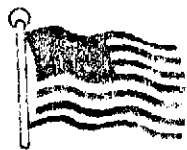

Your Unit Secretary has been on the sick list going on the 10th week. I want to Thank everyone for their cards, phone calls and e-mails and vists. I really do appreciate them. Also I received cards from some members who aren't able to attend our meetings. That was nice. I am getting better as I drove the car last week for the first in 9 weeks. Gene and I plan to attend the National Convention at the Hyatt Orlando in FL. If I keep improving!

Several have been on vacations this summer and I do hope they had a good time.
