

UNIT 324 NEWS
MAY 2002

Hello Ladies,

PLEASE NOTE THE BRANCH NEWSLETTER FOR THE PLACE AND DATE AND TIME OF OUR MAY MEETING. It is to be at the home of Gene and Martha Bryan with the potluck dinner at 6:00 P.M. the Bryan's will furnish the meat and beverages. Too many people had things to do on Sunday and that is why the change in date - time and place.

Get well cards may be sent to the following ladies: Naomi Pelles as she had open heart surgery. Lena Hughes as she had cataracts removed and Alma Ball as she is having trouble with her blood pressure. We wish you ladies well in your recovery.

Would you believe that thru our membership I have no record of anyone having a birthday in May.

We would appreciate each member keeping their dues up to date. You receive a notice from National telling you when your dues are due. Just send them in right away and then you won't forget.

Mid Year for 2002 is now history. Branch and Unit 28 really did an outstanding job. A full report will be given at the meeting. But if you didn't attend, you sure missed a good one.

Nominations are still open at this meeting with elections held and then installation will be in June. If you are asked to take an office - please don't say no. Step forward and take your turn. It helps to keep new people in office.

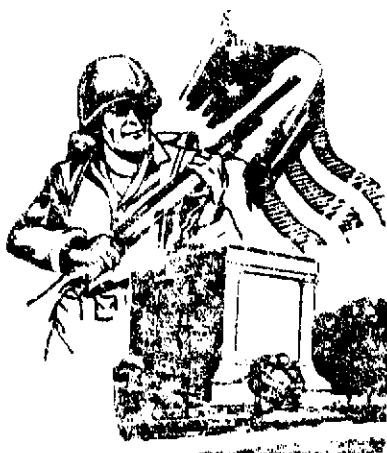

In a phone call from Lil Hughes she said she was doing OK and loves her new home. But she misses Pat more than anyone can imagine. She also sends her love to all the members.

Ladies if you have all your information for reports - you may bring them to this meeting and fill out the report forms for this years annual reports. Just an idea.

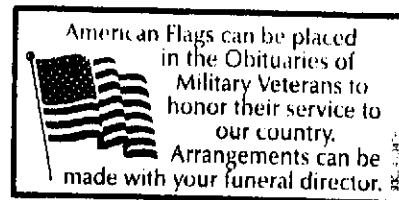

I know everyone is busy doing spring cleaning and planting flowers but keep in mind some project we can be doing as a group. If you know of some handicap person that we can help in some way. They may need some one to write letters or bills; or a way to the Doctor or store. There are many ways we could help some one in need, but we have to have this information. Keep in touch with our own members - not just at the meeting.

See you on the 25th.
