

UNIT 324

Hello Ladies,

Do remember to set your clocks back an hour on October 26th. Then remember our meeting will be on October 27th. Be good to see the people who didn't remember the date of our September meeting. And bring a covered dish for our meal after the meeting.

Edna Stumpf and Barbara Shoemaker have been on the sick list. We hope that each of you ladies are doing better and will soon be good as new.

June Vechter and Martha Bryan attended the National Convention in Florida and saw the following ladies elected: Linda Merten - National President; Nita DeLesdernier - National Vice President; Sandra Robbins - National Financial Secretary and Bobbie Pugh - Data Processing Manger . We wish these ladies well in their new office.

The National President's project for 2002-2003 is the FISHER HOUSE program. This project would provide a comfort "home away from home" for military and veterans' family needing temporary lodging while a loved one is cared for in a nearby medical center. (on the order of the Ronald McDonald home) except this is for military families.

October birthday wishes go to Patricia Streb and Deborah Pierson -1st; Judi ball - 11 and Eileen Randolph - 17th. We wish you ladies a great day on your special day.

Jane Jones joined our Unit 22 years ago; Mildred Stiles joined 12 years ago and Ruth Sargent 1 year ago. These were all in October and we thank you for being Loyal to the Ladies Auxiliary and Unit 324. We appreciate your membership.

Cordie Taylor reports that her son, John, is having a heart by pass done as I am writing this newsletter. We hope that it all turns out OK and our prayers are with him and his family.

There were 7 members of Branch and Unit 324 who attended calling hours for S/M Betty Thomas of Branch 319, Mansfield in September.

Hoping everyone stays well and we will see you on the 27th.
