

UNIT NEWS SEPTEMBER, 2002

Hello Ladies,

Our next meeting will be on September 22, 2002 at the Army Reserve Center in Canton at 2:30 P.M.

Sorry the last few newsletters haven't been up to snuff but I hope the newsletters and myself improve over the next few months.

Helen Wimbley has been in and out of the hospital this summer with her asthma. Helen, we all hope you can improve very soon.

Barbara Shoemaker is under the Doctors care and we also hope your health improves, Barbara.

It really has begun to seem like fall. The gardens are producing - grapes are getting ripe and some apples are on the market now.

Gene and I are leaving for National convention in Kissimmee, FL on the 2 September and returning on the 8th.

Birthday wishes for September go to Jean McGlynn on the 27th. Many more, Jean. ♡
Jackie Berg signed up in Unit 324 again in September '91. we appreciate your membership, Jackie.

There will be more news after June Vechter and I return from National convention.

We miss several of you members at our meetings.

Joan - I wish you or Debbie could come to one of our meetings and pick up your hats and C&BI book.

Don't forget our covered dish dinner after the meeting. We always have a great feast !!! Come join us.

See you on the 22 of September.
